1. It is mandatory to complete all items. Incomplete reports will be returned.
2. Sign and date the report.
3. Mail this report.
4. Mail a copy of a topographic map that clearly indicates the location of the take to the Department of Fish and Game address listed below, except when take is of a red-tailed hawk, American kestrel, or great horned owl.

NOTICE

Pursuant to Section 670 (c)(4)(C), Title 14, of the California Code of Regulations (CCR) only the following raptors may be taken from the wild: Northern goshawk (*Accipiter gentilis*) (also see subsection (c)(4)(D) below), Cooper's hawk (*Accipiter cooperii*), sharp-shinned hawk (*Accipiter striatus*), red-tailed hawk (*Buteo jamaicensis*), ferruginous hawk (*Buteo regalis*), merlin (*Falco columbarius*), American kestrel (*Falco sparverius*), prairie falcon (*Falco mexicanus*), and great horned owl (*Bubo virginianus*).

Permittees must notify the Department within five days of take of a bird from the wild, by completing this form and returning it to the **Department of Fish and Game, License and Revenue Branch, 3211 S Street, Sacramento, CA 95816, (916) 227-2225**. Such notification shall include the county of take and a description of the site in Township, Range, and Section format. A copy of a topographic map with the capture site clearly indicated shall be mailed to the Department at the address indicated above within 14 days of take. The location reporting requirement is for all species listed in subsection (c)(4)(C) above, except red-tailed hawk, American kestrel, and great horned owl.

Pursuant to Section 670(c)(4)(D), Title 14, of the CCR Northern goshawks may not be taken from the wild at any time in specified portions of the Lake Tahoe Basin.

You must also complete and submit a Federal Migratory Bird Acquisition and Disposal Report (Form 3-186A), to U. S. Fish and Wildlife Service, Migratory Bird Permits, 911 N.E. 11th Avenue, Portland, Oregon, 97232-4181.
